FAQ's

WHAT IS THE QUALITY AND INSIGHT PANEL?

The Quality and Insight Panel (QIP) will enable tenants to examine all aspects of the organisation at a strategic level and for members to commission special projects to look more closely at certain areas of the business. As this Panel is tenant-led it is hoped that this will result in continuous improvement and improved service delivery for all our customers.

WHAT DOES IT DO?

The role and responsibilities of the QIP can be broken down into several broad areas:

- To review customer facing services on an agreed basis.
- To make recommendations to the board following a service review
- To approve the content of the Annual Report to tenants
- To sign off customer facing policies
- To review internal performance data and make recommendations to improve service delivery
- To commission the mystery shoppers or customer inspectors to carry out independent checks of services to gain evidence

WHO CAN APPLY?

The QIP will have between 12 and 15 people. There are places for a maximum of two leaseholders and all other members must be tenants of the Trust.

WHAT SUPPORT/TRAINING WILL MEMBERS RECEIVE?

Members will receive ongoing mentoring through one-to-one guidance sessions as well as group training sessions on topics such as governance of the Trust, the structure and functions of the Trust, housing finance and value for money. An independent mentor will be brought in to help the QIP through its first "test case".

HOW WILL THE QIP PROMOTE ITS WORK AND FEEDBACK TO TENANTS?

The QIP will produce an annual report which will be a public document meaning that copies will be available for everyone. It may also produce regular newsletters and web-based news to keep customers informed of its progress and the service improvements made as a result of its work.

WILL THE QIP HANDLE CUSTOMER COMPLAINTS?

The QIP will have involvement in determining the outcome of the highest level of customer complaints.

HOW LONG CAN MEMBERS BE INVOLVED IN THE PANEL?

QIP members will serve for a term of three years. Members will have to stand down after that time on a rolling cycle but will be eligible to re-apply after a year has passed.

DOES THE QIP HAVE ITS OWN BUDGET?

The costs involved in setting up the QIP will come out of the Community Engagement and Partnership Team budget. At this stage it is not envisaged that the QIP will be in charge of its own budget.

HOW WILL MEMBERS OF THE QIP BE RECRUITED / SELECTED?

Anyone interested in becoming a member of the QIP can speak to staff at the open evening on 31st January, between 5 – 7pm at Sale Point. Those still wanting to go ahead will be asked to submit expressions of interest after which some people will be invited for a short informal discussion about the role.

HOW OFTEN WILL QIP MEET? / HOW MANY HOURS A WEEK WILL IT TAKE UP?

The QIP will initially meet monthly at a time which best suits its members. The frequency of meetings may alter depending on the different stages of the service review which members are working on.

IS THERE A CONFLICT OF INTEREST IN BEING A QIP MEMBER AND BEING A BOARD MEMBER?

Members of the QIP will not be eligible to join the board and vice versa. This is because both groups are high level and have decision making powers and if someone was to be a member of both there would be a conflict of interests.

WILL MEMBERS BE PAID FOR THEIR SERVICES?

Members of the QIP will not be paid. However, they will receive re-imburement in line with the customer expenses policy. Members may also receive equipment and resources that will enable them to better perform their role.
